LOCAL GOVERNMENT ADMINISTRATION

1ST EDITION

SWIPE

WHAT IS THIS BOOK ABOUT?

A comprehensive, comparative exploration of local governance across nine diverse countries: Botswana, Democratic Republic of the Congo, Kenya, Malawi, Mozambique, South Africa, Zambia, Zimbabwe and Tanzania. Analyses rich cases, drawing lessons from successes and setbacks, and offering practical recommendations for strengthening local government as a driver of inclusive development and democratic renewal in Africa. Aimed at scholars, practitioners and students seeking an understanding of the realities and possibilities of local governance in the region.
